Welcome June! It is hard to believe that June is here, and we are days away from the end of the 2020-2021 school-year. It was definitely a year unlike any other. Although this year presented many difficulties, I hope we can all agree how amazingly resilient our students, teachers, families, and community members are! I am so proud of our student body and faculty members for all their hard work and well-earned successes, and on behalf of all of us at ABLE Charter School, I would like to thank everyone for their patience, enthusiasm and support.

I wish you all a happy, healthy summer filled with family, fun and lots of laughter. Until next year, continue to "Live the Legacy!"
