

Welcome Back to ABLE - A Welcome Message from the Secondary Principal

Dear Secondary School Families,

It is my pleasure to welcome new and returning families to the 21-22 school year! I am thrilled to have students physically back in our classrooms! The teachers have been hard at work planning, preparing and are ready to welcome our ABLE students. Our staff eagerly awaits to witness their laughter, energy, and enthusiasm for learning.

I would encourage you to check out our website and social media pages, to stay up to date with the latest information regarding the Secondary School. These sites provide great information to many of the questions you may have. In addition, you can find contact information for our amazing faculty.
